MEDENT & Easy Pay Solutions Credit Card Processing

MEDENT has partnered with Easy Pay Solutions as our preferred payment card processing partner in a continued effort to offer our customers the best PM/EMR system solutions.

We will continue to work with this partner on future system enhancements such as integration of copays at the time of service as our priorities permit.

Easy Pay Solutions will be contacting MEDENT offices to detail the power of their system how it may benefit your practice. This partnership offers competitive pricing, in most cases better than your current processing fees.

For more information on how Easy Pay Solutions can lower your costs, please call Larissa Smith at 866.927.9344 or email Larissa at larissa@easypaysolutions.com.
