### To My Patients

I am writing to advise you that I am retiring and will no longer be available to provide your medical care related to pediatric endocrinology, effective July 25, 2018. I will be available until that time for your health care needs.

I have discussed transferring care of my patients with two highly regarded physicians who specialize in Pediatric Endocrinology.

Suparna Jain, MD

1450 10th St #304, Santa Monica, CA 90401

**Phone:** (310) 458-1714

Norm Lavin MD

Tarzana Pediatric Medical Group

18370 Burbank Blvd, Tarzana, CA 91356

**Phone:** (818) 345-7792

Please select another physician within this time frame to continue your care or you may discuss another referral with your primary care physician. In the alternative, you may call The Los Angeles County Medical Association (**Phone:** (213) 683-9900) for assistance in selecting another physician.

I am transferring my patient records to Iron Mountain, effective July 25, 2018. I will provide contact information in an update to this letter on this website. For those patients that I have seen in the Westlake Office, I will be transferring those records directly to Dr. Lavin, by July 25, 2018.

Sincerely,

Naomi D. Neufeld MD

Practice limited to Pediatric Endocrinology
